Summary: USA offers a Masters in Urban Ministry (full tuition scholarship) for persons involved in working with the underserved primarily in the city. USA was founded in 2002 for urban youth workers desiring a theological education but not fitting the profile of a conventional seminary student. USA students have a strong interest in improving their understanding of Biblical truth in order to better serve their communities.

Master Class Schedule*

Year	Fall	Winter	Spring
2020-2021	BIB 601 – Bib. Anthropology	BIB 602 – Old Testament	BIB 602- New Testament
